APPLICATIONS

THE ENTRY PROCEDURE

Leicester Grammar School is an academically selective school. Selection is based on academic merit, which is assessed through an entrance examination, a reference from the candidate's current school and (where appropriate or applicable) assessment or interview at school. Our selection process is designed to identify pupils who are able to benefit from our balanced and well-rounded education and to make a positive contribution towards the life of the school. Above all, we wish to welcome pupils who will thrive in our school environment.

The main points of entry are at 10+/Year 6 (Prep), 11+/Year 7, and 16+/Year 12. We admit approximately 20-25 pupils per year at Year 6 (The Prep), 120 pupils a year at Year 7, and up to 30 pupils at Year 12. The school will also sometimes have places available for other ages (12+/Year 8, especially 13+/Year 9 and 14+/Year 10), so please do not hesitate to contact the Admissions Manager for details.

Applicants for admission should normally register by early in December of the year preceding the desired year of admission (e.g. 2 December 2024 for entry in September 2025 etc.). The school's online Application Form is available on the school's website – <https://www.lgs-senior.org.uk/admissions>.

Candidates may not resit an entrance examination/assessment within the same academic year and may only make one re-application for entry within each phase prior to Sixth Form (Kindergarten - Year 2; Years 3 - 6; Years 7 - 10).

LATE APPLICATIONS

Provision is made for later examinations for those unable to sit in January due to illness or other extenuating circumstances. We are also able to arrange further entrance examinations at other times of the year, subject to places still being available.

INTER-TRUST TRANSFERS

Transfer between different Leicester Grammar School Trust schools will only exceptionally be considered in-year and always with one full term's notice. Parents wishing to consider a change of school for their child should initially consult their child's Headteacher. If parents wish to proceed, normal entrance requirements will apply in order to gauge suitability.

EQUAL TREATMENT

Leicester Grammar School's aim is to encourage applications from candidates with as diverse a range of backgrounds as possible. This enriches our community and is vital in preparing our pupils for today's world. Generous bursaries are offered in order to make it possible for as many as possible who meet the school's admissions criteria to attend the school.

Leicester Grammar School is committed to equal treatment for all, regardless of a candidate's sex, race, ethnicity, religion or belief, disability, gender reassignment, sexual orientation or social background. The school's provision for bursaries is described below.

SPECIAL NEEDS

Leicester Grammar School does not unlawfully discriminate in any way regarding entry. The school welcomes pupils with disabilities and/or special educational needs, provided that we can offer them any support they require and cater for any additional needs, and that our site can accommodate them.

We strongly advise parents of children with special educational needs or physical or mental disabilities to discuss their child's requirements with the school before they sit the entrance examination so that we can make adequate provision. Parents should provide with the Application Form a copy of an educational psychologist's report or a medical report if they have one.

The school will discuss thoroughly with parents (and their child's medical advisers, if appropriate) the adjustments that can reasonably be made for the child if they become a pupil at the school.

THE ASSESSMENT PROCESS

The aim of the process is to identify academic ability and potential. Leicester Grammar School is also looking for well-rounded pupils with a genuine passion for education in the broadest sense of the word, with interests that stretch beyond the confines of the academic curriculum. The school has strong traditions in music, drama, art, debating, community activities and sport. There are many co-curricular activities, all of which are important in developing a well-balanced, confident individual.

No specific preparation for the entrance tests is needed; all candidates start on an equal footing, with opportunities to display their academic aptitude and co-curricular interests. All candidates for entry below 16+ sit papers in English, Maths and Reasoning, which are designed for their age group. Further information about these papers is available on our website - <https://www.lgs-senior.org.uk/entrance-examination>

Candidates at 10+ under active consideration will be interviewed, as will candidates at 14+, while candidates for Sixth Form entry will be invited to school for a Taster Day, to include an interview. The school also interviews candidates at other levels where it believes that a broader assessment will be helpful.

Our offer of places into Year 12/ Sixth Form is conditional upon a candidate achieving a minimum of at least three GCSE qualifications at Grade ⑦, with at least three further GCSE qualifications at Grade ⑥. In a subject proposed for study in the Sixth Form we would normally expect at least a GCSE Grade ⑥ to be achieved in the subject or a closely related subject. The school will ask for a higher threshold to be met for the study of certain subjects and/or combinations of subjects. Detail concerning such requirements will be available on request and is usually detailed in the Sixth Form Prospectus and offer letters.

The dates for the assessment process for the current year are published on our website, together with the dates when results are posted to families and the closing date for acceptances. We will offer places to candidates from our waiting list after the closing date for acceptances. References will be sought from the Head of a candidate's current school as part of the assessment process.

SIBLING POLICY

Most siblings join us at Leicester Grammar School. However, admission is not automatic and there may be occasions where the school judges that a sibling is likely to thrive better in a different academic environment.

Details of the arrangements will be sent to all who express an interest. Further information is also available on the website - <https://www.lgs-senior.org.uk/scholarships>

We encourage parents of potential scholars who anticipate that they will experience difficulty in meeting the balance of the tuition fees to also apply (at the same time as registration of their child) for one of the school's means-tested bursaries described below.

Leicester Grammar School's bursary programme is designed to make it possible for as many as possible of those who meet the school's entry criteria to take up a place at the school. The school offers means-tested awards annually to entrants at the usual points of entry, where the parents have indicated on the Application Form that they require financial support. Bursaries are means-tested in accordance with the criteria published on the school's website <https://www.lgs-senior.org.uk/bursaries>.
